B. Annual report of activities

1. Issues of the SQAMT News were published via e-mail and the back numbers are put on the home page at the following address.

<http://sqamt.umin.jp/>

2. The major activities of the Society is to collect and exchange related scientific information using NetBBS and topics about quality assurance in molecular diagnostic testing had been discussed there.

3. Hereafter, the Society intend to promote such activities as publication of scientific journals and other material in electronic format, and planning and negotiation of international and interdisciplinary collaboration for research, investigation and development.

Concluded.

After I had audited the above-mentioned settlement of accounts and the above-mentioned annual report of activities, I was certain that there is no disagreement with actual situations of the Society.

January , 2012

Yasushi TAKAGI  
Auditor,  
The Society for Quality Assurance in  
Molecular Diagnostic Testing
